* A single membership is provided to one postal and/or email address. Membership is for the **calendar year**; members who join late in the year receive all back publications and information for that year. Benefits include: two mailed issues of the QCI Journal per year; periodic Announcements via email, the QCI website or mail; access to the Members-Only part of the QCI website. a link on the QCI website to a member's website; an advertisement for a member's business for an additional fee in the Journal; attendance at the annual QCI meeting for additional fees for the member and their guest(s); and one vote on committees, in polls, surveys, or QCI elections. Membership price is good for the advertised calendar year only.
